Our Team

Nidhi Singh (Founder)

Nidhi Singh is the founder of the Child Safe Foundation, a non-profit organization dedicated to ensuring the safety and well-being of children in India. The organization was established with the mission of protecting vulnerable children from abuse, neglect, and exploitation. The Child Safe Foundation aims to address this issue by providing support, education, and advocacy to children and their families. It also provides training and support to children and their families, empowering them to recognize and prevent abuse. The organization also provides counselling and support to children who have experienced abuse and neglect, helping them to cope and recover from the trauma. Child Safe Foundation also works closely with the government and other organizations to advocate for stronger laws and policies to protect children from abuse and exploitation. The organization believes that by working together, we can create a safer and more supportive environment for all children. Nidhi Singh, as the founder of the organization, brings a wealth of experience and knowledge to her role.

Message from the Founder

Dear Friends, Donors, Volunteers, and Well-Wishers,

Every child deserves the opportunity to live a safe, healthy, and dignified life. At Child Safe Foundation, this belief inspires everything we do and drives our commitment to serving vulnerable children and families across our communities.

Over the years, we have witnessed both the challenges and resilience of the children we support. Many face barriers such as poverty, limited access to education, inadequate healthcare, and social neglect. Through our various initiatives—including education support, medical assistance, food distribution, child welfare programs, and community outreach—we strive to bring hope and meaningful change to their lives.

This year has been a remarkable chapter in our journey. With the support of compassionate donors and dedicated volunteers, we have been able to extend our reach and make a positive impact on countless lives. Every meal served, every child supported in school, every patient assisted with medical care, and every act of kindness reflects the collective strength of our community.

While we celebrate these achievements, we recognize that much work remains. The needs of vulnerable children continue to grow, and our commitment to meeting those needs remains stronger than ever. We will continue working tirelessly to create opportunities, protect children's rights, and ensure that no child is deprived of care, education, or hope because of their circumstances.

I would like to express my sincere gratitude to our supporters, partners, volunteers, and team members who have stood beside us throughout this journey. Your generosity and trust enable us to transform lives and build a brighter future for those who need it most. Together, we can continue creating a world where every child feels safe, valued, and empowered to achieve their dreams.

Thank you for being a part of our mission.

Warm regards,

Nidhi Singh
